LIELÄHTI / TAMPERE

SPONDA

Good premises in Tampere's retail hub

A two-storey retail and office building within excellent transport connections in the heart of the Harjuntausta retail hub in Tampere.

The two-storey office and retail building was completed in 1990 and is in good overall condition. The building is equipped with mechanical ventilation and heated by means of hot water radiator system connected to district heating. The primary materials of the building facades are stone elements and sheet metal. The building has two staircases. The ground floor houses spacious retail spaces, and on the first floor, there are practical small offices.
