

Unioninkatu 18

KAARTINKAUPUNKI / HELSINKI

SPONDA

Comfortable and convertible premises

The magnificent roof terrace with a sea view is a memorable detail in the Unioninkatu office and retail property. Several upscale restaurants and hotels are located within a short walking distance. Other crown jewels of the city centre are also located nearby. Despite the central location, the surroundings are quiet.

Unioninkatu 18 offices have been awarded a BREEAM In-Use certification with a rating of “Very Good”. BREEAM (Building Research Establishment Environmental Assessment Method) is an international green building certification system aimed at reducing the environmental impact of the use of buildings as well as the development of healthier working environments.

The building, completed in the 1930s, houses retail space with large windows on the street level. The premises of this former residential building are comfortable and convertible into offices or an open-plan office. All floors are equipped with balconies to two directions. The tenants can also utilise the modern conference services available in the building next door.

Building services

The property does not have separate meeting or sauna facilities, but conference rooms of varying sizes are available for rent at Sponda's customer rates in the Event Arena Bank next door.

Accessibility

Unioninkatu is located in the heart of Helsinki, in the immediate vicinity of the Market Square, Esplanadi Park and Kasarmitori Square. Trams 2 and 3 stop at the nearby Market Square, and the metro and railway stations are not far away either.

Parking

The property has 6 parking spaces in the courtyard. Private parking garages Q-park Kasarmitori and Q-park Erottaja with a total of 1,000 monitored parking spaces are available in the vicinity. In addition, there is plenty of parking space available in the Old Market Hall parking lot.

Local services

There are numerous restaurants, hotels and conference centres in the area. The Market Hall and the Market Square are also nearby.

BREEAM In-Use Environmental Certificate Target

- 3rd party verification for environmental responsible operation and maintenance to the high Very Good level.
- The classification system reduces operational costs and improves the environmental performance.
- Takes into account e.g. energy efficiency, biodiversity, property maintenance practices and sustainability.

Excellent Location

- Prime central location in Helsinki City centre, providing easy access to public transportation (bus, tram, metro, city bike, train) and nearby services.
- Bicycle storage and showers & locker rooms for employees.

Low Carbon Footprint

- The property is included in the energy efficiency program.
- Green electricity.
- For more information on the property's energy and water consumption and carbon footprint, please visit the property's extranet pages.

Wellbeing For Users

- Healthy and secure environment to encourage productivity.
- Excellent conditions, including indoor air quality, low material emissions and thermal comfort.
- Materials M1.

Sponda's Sustainability Roadmap

- Carbon Neutral by 2030.
- Energy Efficiency Programme 2030 aims at 20% reduction of the purchased energy.
- Full 5-star assessment in GRESB Global Real Estate Sustainability Benchmark.
- By the Environmental Partnership Program in close co-operation with customers, we can reduce the environmental load resulting from the use of properties.

Resource Efficiency

- Sustainable and durable material choices.
- Excellent opportunities for waste recycling.
- The Environmental Coordinator (L&T) provides regular guidance on waste sorting.
